The Premises:

Dolly's abode is well-documented. A labour of love (literally), Dolly's style, charm and personality adorn every square inch of her funky little pad. Scrupulously clean and endlessly fascinating. As she herself freely admits, the actual block containing her apartment is pretty hideous. But it's well maintained and her studio flat is a truly magical oasis, perfect for lovemaking. The local area is vibrant, centrally located and of great historic and cultural interest.

The Lady:

Dolly is an absolute joy to behold - she is of medium build with a body just made for sensual fun and delights. She has beautiful flawless white skin (with a little surprise), and straight black, glossy shoulder length hair. She has just the perfect figure too, shapely, womanly and with the most beautiful breasts that are hard to resist. Pretty as a picture with lovely captivating, mischievous eyes. She engages every sense with unbridled delight, touch, smell and taste in equal measure.

The Story:

The old cliché applies - what took place between us shall remain our little secret. But if you connect with Dolly, you are in for a truly wonderful experience that will stay with you for a very long time. You will seldom if ever, meet such a warm, giving, understanding, knowing, sexual woman. At the same time, she comes across with all the fun, wonder and enthusiasm of a girl exploring sensual and sexual delights for the first time. And for such a goddess, down-to-earth too - she doesn't know the meaning of the word pretentious and will make you laugh out loud with her witticisms and her take on people and the world.

What you will find with Dolly is that she is as beautiful on the inside as she is on the outside.

Do check out her fantastic website and her extensive online presence elsewhere. It will tell you all you need to know about Dolly and whether you might be one of 'her boys'.
