### The Premises:

Clean establishment two minutes walk from Anerley station with a discreet entrance on the rear. Safe area, pretty sleepy. Large room with circular bed and a mirrored wall you can watch the action in!

### The Lady:

Nina is very pretty, slim with blonde hair. She's about 5'6" or so, nice handful-sized boobs and a cheeky smile!

### The Story:

This was my first time at Debbie's but I've been meaning to go for a while. Sarah the maid was very friendly on the phone and gave me good directions. She was even friendlier in person and welcomed me in and offered me a range of drinks.

Nina arrived a couple of minutes afterwards and we immediately clicked. She was very chatty, funny and put me at my ease straightaway. I went for the house special which starts with a soapy shower together which was great. There was plenty of snogging, fondling and general slippery fun which got me raring to go. We then went back to the bedroom for the main event.

She gave me a very nice oily massage which gradually became more and more erotic before turning me over to pay some attention to the old chap. She put a condom on me with her mouth and gave me an excellent blowjob. Nice and slow with plenty of tongue and eye-contact, perfect.

She then jumped on top and slid me into her very tight pussy and rode me whilst I sucked on her tits. I then flipped her on her back and ploughed her in missionary whilst we both watched in the mirror. This was as much as I could take and I exploded inside her, much to her obvious enjoyment. We then had a bit of a kiss and cuddle afterwards while we got our breath back.

All in all a fantastic experience, plenty of kissing and licking throughout and some dirty talking from her all with a big smile on her face.

For ?70 this has to be one of the best deals in London. I shall return!
