### The Story:

went to vip room as all others were taken BONUS!! sat on the lounge waiting for Melanie..as she entered in her uniform that was the start of a perfect day! i laid on the bench where she gave me a massage that made me feel at ease with a little ball tickling i turn over and then was ask to take her bra off..we then moved onto the bed which we had reverse oral..bang on!!then to main event she road me cowgirl which nearly came to premature but manage to control my self.. then into mish with legs on shoulders then doggy then finally reverse cowgirl

All i can say is that she is my olive????

I think she would know what i meant!!

I am going back to see her!!!what does that tell you guys!!
