The Premises:

VH is very clean and the rooms are just ideal. With mirrors on the walls and ceilings. Showers, clean towels and robes provided. Makes one feel very at ease. This was my third visit- my 1st being on a saturday & the other 2 during the week. The receptionist at the weekend was very professional and lovely-made me at ease. However, midweek was not so lovely- almost dismissive. certain information about which clients certain ladies will not see needs to be communicated in a professional, subtle and intelligent manner.

The Lady:

She is a very slim build, with lovely boobs and a pussy almost to die for. She is definitely an eye turner.

The Story:

She was not as welcoming initially as her 2 previous colleagues, but that is not such an issue as it is our 1st meet. We started off with an oil massage- soft hands, but massage not as sensual and firm as expected. Discussed pricing, then straight to bed. At this point still not at ease with Sienna, but dived straight into OWC. Not really working for me. Not much else happened, but paid full quote- which is fair I guess. Maybe on a different day or with a different guy, this would have been fantastic as Sienna is simply stunning. Just did not work for me.
