The Premises:

Very clean place and easy to find. Very safe too.

The Lady:

Overall she looks ok (6/10) with a very slim body.

The Story:

Jessica was ok however I was concerned about her attitude and behaviour pretty much throughout the whole experience. Although Jessica was friendly, this soon wore off and she rapidly became rather tired and jaded looking. She made little eye-contact and only really seemed interested in doing what she wanted to (which wasn't very much to my liking) rather than what I had requested (which wasn't anything unusual, just a bit of kissing and sexy interaction). At the end it looked as though she couldn't wait to get out of the room and it was clear that I was just useful for my wallet.

All in all a bad experience so I won't be going back.
