The Premises:

Very welcoming but a bit grotty, was asked if I would like a drink and taken through to kitchen where both girls were making a brew. It was a bit like calling round someone's house and being offered a cuppa! A bit of an unruly pile of dressing up clothes in the hall near the loo. But what they do specialise in is making the bed look attractive with a display of folded towels and flower arranging stuff.

The Lady:

Absolute stunner. Blonde, fabulous complexion, some minor tattoos, completely shaven, small breasts with lovely pert nipples.

The Story:

This was really a part two to my visit the previous Saturday evening, see 100917. I was determined to have a little 'me time' and I wasn't disappointed. Lovely massage to start on my back and then front. A nice cuddle, a shame Ellie does not kiss. Really turned on by an expert long, slow and perfectly timed OWO. Just gorgeous. Ellie prefers doggy and soon came which made her very wet and extremily comfortable. I finished off in missionary totally captivated.

With a few minutes to spare I gave her a back massage and admired her rear a bit more.

Definitely want to return on a Saturday with enough for an hour with both girls, when I can afford it.

Very highly recommended
