Details of Service Provider:

Profile Name: Indian Palace

Website: <http://www.indian-palace.com/>

Phone: 02070001908

The Premises:

nice flat. clean. been here a few times now.

The Lady:

she was shorter then i thought she would be. (once heels came off). i found her VERY fake (yes shes a working girl but this palace has some friendly girls) fake lashes, fake nails, etc....

i normally see another girl, who was off that day. so i picked this one. i asked her to dress up as a nurse. she pulled a face. warning bells rang but ignored them.

The Story:

she took a while to come back into room. i had to explain AGAIN what i wanted. she seamed like she didnt want to be there. the whole service was very bad. i wont go in detail of the role play. but it was no where near what i like.

i think i will follow the warning bells next time.

Service Provider's Rebuttal

Amani writes:

It's Amani here and I really don't know what to say. I'm genuinely confused. I don't pull faces if someone want's me to wear a uniform. I'm smiley, happy, bubbly and always full of energy. I just don't pull faces or behave like I don't want to be there! Believe me, if I did not want to be there, I really would not be there. How was my service bad??? It just was not!

And I have to say, visitors that do come to see me love the way I look. I get called a 'barbie doll'. I always take care with my appearance. Nails, eyelashes, hair, clothes etc. I always get compliments about my 'pretty come to be eyes' as well.

I do find the comments in this report very weird for a guy. For instance 'fake lashes, fake nails, etc'. Guys just don't say that who come to see me. They like the effort I make with myself. This report is very weird.

If you are a guy that has written this report, I don't believe you have stayed and had a service with me. You must be someone that has come in and seen me, wanted to stay, but wanted a discount

and I have let you know that we don't offer discounts, got the hump and walked out.
It can't be anything else. And also, why do you not go into any detail about exactly what was bad about the service? And why do you not want to go into any detail about the role play? And why if you have been to Indian Palace and had seen someone that you did have a good time with did you not write a good report about them? You have only done this weird bad report on me??
