### The Premises:

Basement flat off a nice residential road at the heart of Maia Vale. Large bedroom with good shower facilities. The place is fine i terms of cleanliness but can be improved. Entrance is discrete and safe.

### The Lady:

Very young Czech lady. Stunning face and a fantastic body to go with it. Silky smooth skin, large firm breasts, fully shaved and pink where it matters.

### The Story:

She charges between 130-150/hr. She specialises in providing sensual domination and roleplay. The flat where she works is used by other girls too. Her bedroom is semi-equipped.

I was very pleased when I first saw her as I found her very attractive. She is very versatile in the range of services she offers and seems to have fun with it. Not a clock watcher by any means and does all she can to please you and is reasonably skilled.

She is great kisser and DFK with her was quite enjoyable. I do not think she does OWO and if you want sex you should confirm with her in advance.

I have seen her twice and both occasions have been very enjoyable.

She can be hard to get hold of but perseverance pays.
