The Premises:

Location is in Croydon... nuff said!

Basement location with an iron grill with I personally find both re-assuring but daunting at the same time. Inside was much better, although there was no lock on the room door, but I did notice a strategically placed mirror on the wall opposite, so I did easy up once she showed up.

The Lady:

I tell you, either Yasmin is very modest or the photographer was crap coz, I know it sounds cliché but, she is MILES better looking in person. Indian/Asian lady so nice olive/tanned skin so soft to touch too, very nicely curved in all the right places, a very pretty face and, literally, the nicest pair of breasts I have ever felt! I was told 32E on the phone n she didn't disappoint!

The Story:

Very friendly person, she asked for no kissing on the lips and she didn't receive oral, but I didn't mind n wasn't really fussed (her loss really, haha!). Started off with a massage; not really into massages but still enjoyed it. Then rolled over, moving onto oral with, which she did to the best effect n then moved onto the main course n never looked back. Now, this girl is tight n I mean young-Japanese-girl tight, which was all the better. Started off in mish, then doggy, reverse cowgirl, followed by normal cowgirl n finished off spooning. She even offered me a glass of water afterwards coz my throat was parched, which was nice!! My best punt ever hands-down!
