The Premises:

Discrete ground floor apartment, the entrance is not overlooked at all, just look out for the girl at the window. When you're done you can leave by another exit which is also good in this residential area.

Plenty of free parking is available right outside or around the corner.

The Lady:

Tallish girl for a Thai, long dark hair, pretty face, small bust. She had a bit of a bush which made a nice change.

The Story:

I thought I'd booked Meena on the phone, but their English isn't too good sometimes. Meena was there, but she was in 'civvie' clothes so I assume she wasn't working that day.

Meena who appears to be running things, showed me into the room where Umiko was waiting for me. She gave an enthusiastic GFE. Lots of kissing (not deep french) and foreplay, covered oral. Let her ride me in cowgirl, before flipping her over to finish in missionary.

After she cleaned me up, she lay next to me on the bed and tried to get me started again! We were 20 mins into a 30 minute booking. I was happy with just the one shot that day. Nice girl though, but your sign language better be good as this one has very little English.
