The Premises:

Large modern block of flats near beckenham junction train station... quite plush really! Room itself was clean and tidy. No problems at all.

The Lady:

Good looking chinese lady. Around 25-30 y.o. Petite body.

The Story:

Decided on a quick punt as these chinese places can be very hit and miss. This turned out to be a good punt...some french kissing and excellent oral without (very deep!!)... condom on then into missionary and finish!...nothing outstanding but good value and I would recommend this place to those in need of quick relief!
