The Premises:

A very discreet and nice clean flat, in a new development close to town centre. Plenty of visitor car parking available.

Entry is by security code, given at the time of booking.

The Lady:

Slender blonde girl with nice firm breasts and shaved pussy. Told at the time of booking that she was 19, and had no reason to doubt that. Would hazard a guess at dress size 10 and 36 bust.

The Story:

Kerry offers the full g/f experience, though she doesn't do CIM. She made that very clear, but in a nice way.

Unlike some girls that I've visited, Kerry got undressed straight away, which I personally like myself.

Kerry began by a nice massage with talc, which she was rather good at and had me relaxed in no time. Then it was french kissing with her laid on top of me, after which she let me go down on her and I spent around 10 minutes doing oral on her including licking her out.

Then it was on with the condom and into the missionary position. Kerry had the tightest 'non virgin' vagina that I've ever put my cock into, so much so that I came pretty much straight away (but boy was it nice).

Kerry you was super and I can't wait to visit you again.
