The Premises:

Nice discret parlour somehow on the main road but quiet discret. Homely inside with the trickiest shower you encounter but still works, not ensuite.

The Lady:

Gorgious blonde, early 20s good attitude and very down to earth who enjoys her job.

The Story:

Now this was a classic 15 mins quicky where you think "gosh if I knew I would book for an hour.." then its too late.

I booked another ladie first for a half an hour session which to honest was forgettable, average and expensive. I decided to spend the spare cash on Sandy just to save the day and this turned out to be one the best punt I had, albeit a 15 mins: she is stunning, enthousiastic and very eager to please, if only I knew....

Thanks Sandy for the good time and I will be coming back for an hour next time.

PS: The receptionist, the blonde one (cant remenber her name)is very professional and accomodating and she made my stay more relaxed and enjoyable, thanks alot.
