The Premises:

Private house in a quiet residential area near the A4050 Cardiff - Barry road. Clean, very well maintained and furnished, perfectly safe.

The Lady:

Mid-20s, slim, 5'6" tall. Long brown hair, some tattoos, some piercings. A very attractive girl, with brown, 'bedroom' eyes.

The Story:

A fabulous experience - best I have yet found in the area. Nikki describes herself as 'Shy but Sexy'. Very accurate in that she is not a brash, sluttish character. However, her shyness certainly does not extend to the bedroom! I can only describe her as a warm, responsive, enthusiastic lover. GFE is an over-used phrase, but this was as close as it comes - which was a pleasant surprise for a first encounter. And it certainly won't be the last!

There are plenty of less expensive girls in South Wales, but Nikki is vg vfm. At last I can honestly contradict those who call this area 'a punting desert'. They have not met Nikki!

Go and enjoy Nikki - you will, and so will she. But please leave some time for me to visit her again, too!
