The Story:

Much has been written about Sophia and I can validate all comments that have been made. This was the fourth time I have seen Sophia and each time there is a sensual freshnesh to the occassion.My request for Sophia's attire is met in full and all little requests during the appt do not seem too much trouble.Her oral and kissing skills are second to none. On this occassion it was just like meeting an old friend. I won't go into too much detail but Sophia ticks most boxes and the time spent with her zooms by and is just a pleasure.
