The Story:

This was my first time i ever been to a walk-up and seemed fun i had to wait 10mins to see sammy but i was ok with that the maid was friendly. once in the room opted for sex and OWO for ?25 plus ?2 tip for the maid, sammy was very forceful with her bj did the trick tho once the condom was on she pulled me ontop of her did bit of mish then doggy then spoons she was sucking my nipples scraching my back to make the it seem liek she was really into it when i was ready to cum i did try asking her where i could, was very hard as she speaks little english, i so just poped my load over her pussy she seemed happy with this. when i was leaving there was one guy waiting another on the stairs waiting and another coming up so very busy place, so if u want sloppy seconds come in the day if not try to get there early otherwise you'll be waiting.
