### The Premises:

Very easy to find from the final instructions.

My first time there and was quite impressed. Certainly not a dump.

I only saw one bedroom which had washing facilities but no shower. Large smart room though

### The Lady:

Zoe is good looking, great body, quite tall with longish fair curly hair. Very pleasant no complaints whatsoever.

### The Story:

Quick moan now. I phoned to see Chelsea who had not yet arrived. I made my appointment to be her first client and left my name saying I would be there in 10 minutes. OK I may have been 15 minutes but was disappointed to find she had seen another punter.

Now come on ladies. If you get let down by a punter you quite rightly moan like hell so it works both ways.

In spite of this I had a great time with Zoe. Plenty of sensual kissing. RO and CO finishing all too soon with sex in the missionary position.

Super value. No rush. Would certainly return.
