### The Premises:

Mansion block flat 2 mins from the tube. Clean and fit for purpose. Lots of mirrors.

### The Lady:

Petite and attractive typical Thai girl. Reasonable English. Pleasant personality. Indie, advertising on directories like Cherry Girls and Punterlink, although that's not how I found her.

### The Story:

Lucky strike this. I had booked to see August who wasn't available because of agency cockup. She suggested her indie flatmate and I said ok as she was good-looking too.

Fantastic session. Mainly anal in all positions, but cracking oral, some straight sex in mish, and finishing with CIM. She kisses passionately too.

Chatted afterwards and cuddled. Would/will definitely see her again.
