The Premises:

Very nice apartment, near the city centre, with lots of parking nearby. Nicely decorated with shower facilities, towels, etc.

The Lady:

As per the website description, Scarlett is a gorgeous, petite (5' 2", size 8) brunette with hazel eyes (website says green), curves in all the right places, very pretty face & great legs. She's quite well tanned, which she ascribes to being very fond of the sunbed. Age given appears to be accurate. Definitely the girl you see in the photos.

The Story:

Third time of seeing Scarlett. Arrived outside the flat about 5 minutes early & called the agency to confirm she was ready, as instructed. I was greeted, with a kiss, by Scarlett wearing red, patterned bra & briefs set, which showed off her figure a treat & moved through to the living room, where we had a glass of wine & a pleasant chat; catching up on what we'd been up to since last we met.

Scarlett has this wonderful ability to put you at your ease &, after a while I popped for a shower before moving through to the bedroom, where lots of kisses & cuddled followed; during which I was able to explore her, lovely, soft skinned, body.

Out of deference to her wishes, I won't go into too many details, but will add that the usual progression of oral, reverse oral & marvellous sex, in a couple of positions ensued (nothing wild, as per my, fairly straight forward tastes).

Afterwards, spent some more time cuddling & chatting, with a second glass of wine before giving her a massage; which she did seem to enjoy.

I made a cockup with the pay & display machine & so had to pop out & top it up, but returned to find Scarlett dressed in her normal clothes (I'd suggested this as before popping outside), which really did show off just what a gorgeous & stylish young woman she is (made me wish I'd booked the planned overnight today).

Bit more chatting & cuddling, on the sofa, before it was time to kiss her goodbye.

Definitely will be back for that overnight, just have to wait & see whether the postings to either Saudi or Afghanistan come off before I can look at naming the date.

Thanks again for another delightful afternoon. xx
