Sara is very friendly nice and lovely girl in her mid twenties. Beautiful Curvy soft body and beautiful face and sweet personality. Sara is Polish American so she is very communicative girl

The Story:

This is very different experience, because Sara is eight and half month pregnant. Sara is very nice and chatty and sweet girl. We had lots of hug and cuddles and kissing and reverse massage and lots of TLC and chatting and having nice cup coffee because is was very cold. We gone under the duvet and we both had very nice happy fun time together. Sara showed me the ultra sound scans and we chat everything about healthy and natural birth and due dates and how to reduce of stretch mark etc etc

Sara only does few activities as she comfortable with. Check the web site for more details what she is comfortable with. She said that she is okay for taking photos.

One confusing issue that there is an another advert that has different name and the location stated as London and the advert name is Nadia but same phone number. Sara is well spoken girl, I don't know she is independent or working for other peoples . I did not raise the issue and I don't have the faintest clue

Sara will only works for another two weeks
