The Premises:

Clean, upmarket penthouse location on the outskirts of the city. Was a 30 minute walk from the train station. Was very discrete and felt quite safe as well.

The Lady:

Tall, brunette lady. Was really attractive with small but perky breasts.

The Story:

Had some trouble regarding the location, but the receptionist was quite helpful and finally reached there. Was greeted warmly and showed to the room. Karina came soon and the paperwork was sorted out. Took a shower. Started with a massage and soon moved to OWO. Asked her finish me off with CIM in round one. Her OWO was quite delightful, sending shivers down my spine. After cleaning me up thoroughly, she gave me really good body massage. After the recovery, moved into round two. After another bout of OWO, she rubbered me up and started grinding me in cowgirl position. After about five minutes, i asked her to finish me with CIM which was done dutifully. Overall a nice, attractive lady and not a clock watcher as well. See you back during the spring, Karina.
