The Story:

Found this place after searching through punternet. A previous punter described the place very well. My first visit was great and I enjoyed my time with Mia, she took to me and we had a great time. I came twice with her and once each with two other girls. On the second visit she was as warm and friendly as before and made me feel very at ease. I came first and last with her and a a few times in between with Stacy and I had a nice OWO with Anna. I was impressed with Mia as she was still talking about me to the other girls as I was leaving. She is a lovely Thai lady and I will definetaly be cum back to see her
