The Premises:

House in nice area. Free parking nearby. The house was very clean and well presented. Felt very safe.

The Lady:

Short lady (5' 4"); nice smile; red hair; rubenesque figure, attractive with very large breasts with pierced nipples and tatoos; and a shaven fanny.

The Story:

Ellena only gives the postcode over the phone. You need to phone about 10 min before the appointment to get the street and house number. I had my A-Z handy but Ellena gave good directions so I didn't need it after all.

Ellena is softly spoken and friendly. Once in the bedroom we both stripped off and got on to the bed for some kissing and to explore each others body.

I sucked and fondled Ellena's huge boobs for a while. Eventually we started kissing again while I rubbed Ellena's clit. After a while a slipped a couple of fingers inside Ellena and managed to get her fanny moist but did not succeed in getting her to orgasm. Meanwhile Ellena had been gently tugging on my member - so effectively that I had to ask her to stop a couple of times.

Ellena then put a condom on me and sucked me for a bit; the oral was so-so.

She then started to ride me gently and maintained eye contact with me while I fondled her breasts. Unfortunately I couldn't quite manage to come. As time was running short Ellena finished me off by hand.

Ellena then gave me some tissues to clean myself up.
