The Premises:

Fantastic cottage in a quiet area but close to the A40. Seriously, if only I had the money to have a house like this. It's beautiful. Limited parking available. The only thing around are fields and cows.

The Lady:

Ella is 26 years old with 34E breasts (enhanced). She's a pretty girl but not in a sweet and innocent way. She simmers with sensuality and you know that you are in the presence of a confident sexual predator. She has her upper lip, tongue and nipples pierced. Fit trim and toned.

She practices safe sex but does offer OWO & CIM

The Story:

She walked in and I was pleased with my choice. Wearing a pink basque, she looked incredible. She promised that I would have a good time and she was right. Basic covered oral and sex was ?80 but I opted for OWO for an extra ?20. A nice massage to start with and some gentle teasing/touching of my plums and then I rolled onto my back. I sucked her nipples before she went down and gave me a fantastic BJ. The eye contact was just right and her pierced tongue over my cock was unbelievable to watch. I wish I could have taken a picture. She sat astride me and I played with her tits as she did all the work. Then we swapped to doggy and I filled her with cum. Highly recommended.
