The Premises:

This is Sueli's place as reported on several times by others. Nice house, safe area, shower is nice too for a change. Shame I've not had the pleasure of Sueli herself for quite some time!

The Lady:

Thai, mid-twenties, not the slimmest, but certainly not overweight with rather pleasant full-size natural breasts. A pleasant girl, wanting to give pleasure. Rather giggly as she relaxed.

The Story:

Sensual body-2-body to start, then OWO which was much more creative than what often happens - she certainly put lots of effort into it. Reverse oral was gratefully received - she certainly had a good time. Very willing sex to finish. A fun time was had by all.
