The Premises:

Safe and clean, if small and basic. Choice of three girls although this is not overly clear, as they seem to operate a rota system if you don't ask. Showers and lockers at entry level. Massage rooms and sauna in the basement. which could be a problem for some. Only massage benches in the rooms. ?20 cover is therefore a bit strong, but there was no clock watching so not the end of the world. This place has been here for a long time, but used to be just a rub and tug establishment, it is now full service.

The Lady:

Attractive black girl, 5'5", size 8, 34d, with shoulder length dark hair. Very pleasant and chatty.

The Story:

Good length proper firm back massage, including uses of her lovely breasts, moving to plenty of attention to my balls and cock, then rolled over for more of the same, while I fingered her and played with her clit to get her nice and wet. Then good if not a little brief covered oral. Followed by energetic cowgirl with kissing (not discussed or charged as an extra, so bonus!). Then standing doggy over the bench to my finish.
