### The Premises:

Found the place quite easily behind a pub not far from roundabout at Hersham. The road had free parking space which I like. The house is a large three bedroom semi-detached.

### The Lady:

The lady that answered the door was friendly with a husky voice. She invited me in and straight up the stairs. She was a nice serious Thai woman in her mid thirties. There were two large bedrooms available and we went into the one with the massage table. The other room had a large double bed with a white towel neatly folded, ready for use if needed.

### The Story:

I chose basic massage as I had planned to visit an Adult party later in the evening and I wanted to save my energy. We chatted and I asked for a tea and was surprised to receive a coffee from a younger Thai lady. I requested it be changed which she did. My time went quickly as it was a mere rub down and nothing exciting. The nicest part was when I was leaving a very pretty tall Thai girl walked in. Made me think of what I could have had. Anyhow Jo came to life as I was about to leave and she turned out to be a really nice person, making me want to go back one day to visit
