Details of Service Provider:

Company: Thai Siam

The Premises:

Well reported establishment behind a filling station. Good area, mainly residential. Certainly safe, both day and night.

The Lady:

Small Thai woman probably in late 20s or early 30s.

The Story:

Jacuzzi and nude massage followed by sex with a condom. I have not been here for nearly 3 years but that was due to financial constraints more than anything else. It is the only sauna, jacuzzi, and massage establishment in the area. A kushti deal for only 50 quid!
