The Premises:

As described by many before, a busy enough street in South Kensington to be anonymous and completely unthreatening. The flat itself is clean and well-appointed

The Lady:

Voluptuous - curved in the right places, generous breasts. Black hair and fully shaven with a tattoo above her pussy that was covered by her knickers - Karolina took delight in revealing it slowly.

The Story:

I waited for about 5 minutes as she was running late, but was shown to the room by the maid. Karolina entered the room and we exchanged kisses and then took care of the financials. I had a shower whilst she took the money away and she was waiting for me on the bed when I got back. Lots of DFK ensued, followed by removal of her bra and a chance to enjoy her ample breasts. Lots of appreciative noises. Then followed OWO - including a serious amount of deep throat. I had to get her to stop and indulged in RO and fingering at her request. More deep throat, kissing and RO - including 69 got me to the edge of orgasm. On with the cover for some doggy that saw me cum rather too quickly. Followed with some nice chat, kissing and caressing until my time was up. Unhurried and good dirty fun. CIM is on offer, but I failed to make it that far - next time may be.
