The Premises:

Okay - shared flat with thin walls and evident flat mates

The Lady:

Gorgeous. real stunner. tall very pretty with amazing ass and beautiful puffy natural tits

The Story:

tricky one this - real beauty and good fun to start but became a bit weary. obviously not mad keen on the job, or having a bit of a bad week - probably needs a bit of a break.

pros;

beautiful girl, smart, excellent english, hot hot hot

cons:

no drinks other than water and juice available (what is it with EE girls and alcohol) - disappeared for 10 mins - 20 mins of action then chat and another disappearance, playing with phone, speaking to flat mate etc etc

had to dash for train so wasn't planning to push for round 2 but not real intent to indicate it was on the menu.

I'd like to visit again or do outcall - maybe the flat's getting her down. real potential, needs a break tho'
