The Premises:

Known sauna near Euston station, perfectly safe and easy to find. Has steam, sauna and showers as well as an incredibly over-priced bar where all the women sit waiting.

I only saw one other punter in there very briefly. I used all the facilities completely at my leisure and had a choice of about 20 girls.

The Lady:

Jessica was young and very slim, gorgeous natural breasts. Tanned skin and dyed hair. Her English was fine, if loaded with stock phrases, she had a good sense of humour and was very natural.

I picked her as she simply looked the friendliest.

The Story:

I was only wearing a towel and that was removed and I was given a massage which progressed naturally into my rolling over and getting some attention. She gave good covered oral and this flowed into cowgirl sex. She was enthusiastic and fun. We followed a turn in missionary and then finished in doggie. Afterwards we had some more massage before I left the room.

The whole time she was relaxed and of many punts this one felt very natural indeed the way it progressed. I was really impressed.

I wouldn't visit and see Jessica again purely because of the selection there was but she was great and is highly recommended
