### The Premises:

This is a safe residential neighborhood and the flat was clean and welcoming.

### The Lady:

Amy is attractive and has a lovely body. She is about 5'6", has dark hair and beautiful blue eyes. I liked her tatoos, clothes, and the jewellery she wore. She is still learning English so you have to be creative with communications but I had no problems -- she seems quite smart.

### The Story:

This is a great girl-next-door experience. She is lovely to be with and has a friendly warm personality. We had a good laugh together and I am sure if I knew what she was saying it would have been even funnier! I am going to learn a few words this week just for that... Wonderful, gentle, sensual, sex (doggie and mish) and the connection with Amy feels real. Nice oral with as well. Well worth a trip out to East London. Thank you Amy!
