The Premises:

Her place was very clean, she lived in a very secure building, like a hotel there is a porter downstairs and the building was very newly built, looked very expensive place, but very comforting place.

The Lady:

one of the reason why i chose her was her picture looked genuine and my thinking was right. she is the girl in the picture she looks much better in real life, she wore a lovely netted dress, has great set of assets, looked natural! felt natural! and a very sexy smile!

The Story:

she was like a little fireball, i went in, sat down, she offered me drinks, we went straight to dressing down and on to my sucking my dick! we did a bit of 69. she becomes wet very easy! we then had sex in her lovely bathroom and then moved back to her bed. and had a really good release! she sure can enjoy it! right sounds and right moves, i really felt in.
