Since the refurbishment it is a clean & in a safe area with plenty of off road parking. It's a very friendly place with very attentive staff & endless Tea or Coffee on tap & i highly recommend a visit.....

The Lady:

Holly is a breathtakingly stunning & beautiful young woman. This absolutely gorgeous brunette is 28 years old with a perfect size 10-12 figure with lovely silky long hair. She stands about 5' 6" & is a proper little stick of dynamite with beautifully tanned & perfectly silky smooth skin. She is "ALL WOMAN"

The Story:

Well where do i start?

I have been seeing Holly now on a regular basis from about April of this year (around 7 months now). The photos on the website do NOT do her any justice at all, she is a beautiful & stunning young woman. I never fail to enjoy myself with this girl who always puts a smile on my face, she always blows my mind & makes my heart beat like a sledge hammer. She is HOT AS HELL with a fantastic toned & sexy body & an absolutely fantastic personality. Oh & did i tell you, she really is absolutely beautiful. She is a wonderful woman for who i have the utmost respect for.

Out of respect for Holly im not going to go into detail about what we get up to in the room, that will remain between Holly & myself. But i will tell you this. If you appreciate a beautiful woman, as i do you will hit it off with her straight away, be attentive treat her gentle & with respect then you will be paid back tenfold. You will have a fantastic time with her. Don't get me wrong chaps but i really do not want you to see her because i want her all to myself & if i had more money & time spair i would be down there every single day she is at work.

Be warned you will fall in love with this girl & want to take her home with you (i know i have & do). She will break your heart every time you have to leave her & mend it again the next time you are lucky enough to see her. She really is a fantastic person & will show you what a real woman is capable of, so treat her well.

So that's it & even this little report certainly still does not do this stunning little minx justice. Just go & see her & decide for yourself, but only if you have too please, please treat this one with the respect that she truly deserves.

Holly i so love you babe & can never wait to see you again, you should be in the dictionary under "Red hot sexy little minx"

See you soon XXX
