The Story:

This is more a review than a report, and is biased. Biased in a good way as I am a fussy bugger and generous of me to share this with you. What I am about to say has been said before but in a nutshell Melanie of Aberdeen is a rare find and a total treasure of a lady.

She is more than just an escort, oh so much more. You will get an experience as she is easily amongst the best in the business and I shall explain why.

Melanie is a lovely woman, a beautiful lady and the best of company. She always and I mean always makes you feel special. She pays attention, is a very good conversationalist, and can chat about almost any subject.

The one down side with her is time flies. It flies too fast and you are always left wanting more. Its almost as if you touch a higher plane whilst in her presence.

But its not all conversation.

Oh no. Melanie is amazing between the sheets and will blow more than just your mind. Its rare to find a lady so lovely both in looks and personality, and even rarer to find that naughty.

I wont go into details, as I suggest you make up your own - but you wont be let down.
