The Premises:

A studio in a high class block in Kennsington. A little small but more than fit for the purpose.

The Lady:

A very pretty 25 year old Australian girl with just a hint of oriental in her history. Sophie is lovely and very sexy with curves in all the right places. The photos on the site are very accurate. She looked and smelled great:)

The Story:

This is my first field report and to be honest only my third time with an escort. My last two "visits" were ok but language was a problem and I hate just turning up and getting on with it. Like most normal guys I like a bit of a build up. I like to be seduced. Sophie was "hot for me" from the moment she opened the door wearing a black slip that practically had me there and then. After chatting over a couple of glasses of wine we fell into a romp on the bed and I set off to heaven. Sophie is a natural very sexy and open-minded girl who just loves being made love to "everywhere" with no awkward moments or holding back. We finished up in a 69 with an amazing finish. But Sophie wasn't finished with me and after a brief rest it was down to round two. Amazing.

Sophie has restored my confidence in working girls. She also told me that she is very bisexual and loves to be with other women. Wow I'll be back for some of that!
