The Story:

Had a very good session one evening recently with Katya who I have seen before and never fails to deliver. She is truly excellent, nice figure and full breasted. Enjoyed owo, cow girl, doggy and mish, she provided anal stimulation with a gloved hand, then her strap-on, very expertly administered followed by my taking her doggy and making an attempt on her arse (unfortunately too tight). She is very enthusiastic and unlike an emptying with some massage parlour whores who just go through the motions, you really feel like you have had SEX. We finished with her putting a vibrator up my arse whilst I came in her mouth. I left feeling very satisfied. Cant recommend her too highly. She is hoping to organise a session for me and another guy to 'share' her, can wait - and if I cant then I shall go and shag her solo!
