The Premises:

Susan was kind enough to visit me at my flat. For a duo with Laura Lee and myself

The Lady:

Susan has a stunningly delightful body, I'm happy to assure readers that she is even better in the flesh than the beautiful photos on her site. She immediately greeted me with a stunningly beautiful smile despite having had to battle through rather adverse snowy conditions and still arrived on time.

The Story:

Susan joined Laura Lee and myself for a duo with a sub-dom theme. This fulfilled a fantasy of mine to experience two Mistresses. Susan was fantastic in the dom role, starting off with some light riding cropping.

Then to finish off Susan introduced me to a prostate massage and her gorgeous breasts, I can think of only a couple of words to describe this fantastic experience. WOW!.

Much more took place and I enjoyed every moment.
