The Lady:

Min Min is a very beautiful Asian lady,much prettier than in the photos.

She has a lovely petite but voluptuous body.

She has lovely dark hair and a cheeky smile.

The Story:

Min Min was very welcoming from the start and I was treated to a hot bubble bath which she shared with me and she gave me oral without.

We then retreated to her bedroom where she dressed up for me in a very sexy nurses outfit and we had full sex.

At all times she was very friendly and eager and I felt I was with a girlfriend and not an escort.

I will definitely go back and see her again.

She is a very charming and sophisticated beautiful lady.
