Profile Name: Laura

The Premises:

One of an international chain of hotels. Could have been anywhere in the world, but fortuitously this one was in Norwich.

The Lady:

Young, amiable, gorgeous, attentive, intelligent caring and sweet are all words which describe Laura well. A 5'7" size 10 does nothing to convey the wonderful tanned, soft and smooth skinned beauty that Laura is to behold. Hair colour is variable and in all honesty unimportant as it is completely outshone by the fabulous naughty twinkle in her sparkling eyes. But she was off to the hairdressers later that same day.

The Story:

Gentle and soft she can do for a limited period and completely captivate you with those twinkling eyes, exploring lips and roaming hands. But you are always aware that there is a rampant sex kitten (or should that be lion?) waiting to pounce. There is simply no doubt that Laura enjoys what she does. This was my third visit to check, and her sexual appetite has not reduced one jot.

When she ramps up the raunch you can be in for a wild ride! There's no better little cock jockey as she squats over you and gallops to near completion. You see, feel and experience the wonderful movement that only perfect natural breasts can display.

The next little while was a blur of great sex culminating in mutual satisfaction.

It may have only been Friday morning but Laura was already strictly cum loving. I was lightly admonished for releasing my load deep inside her. 'What about my mouth?' she moaned. After a little more cuddling and a chat we put that right in round two and she had her much requested CIM. She has more suck than a desirable Dyson and will drain you completely dry, and then swallow the lot! It's all smoother than a Hoover and better than an Electrolux wot sux!

You'll have to watch out for some lovely little cameos during the liaison such as her condom application method and the view as she puts her knickers back on. I won't give anything more away.

She is a busy girl and books only by email so a booking can never be an 'impulse buy'. Savour the anticipation, enjoy the event and cherish the memories. It's worth it.

Some say she's Norfolk's best, but I've travelled much further a field than this and can honestly say she is one of the very best in the world.
