### The Premises:

External smart block just off Baker Street. Basement flat OK, usual fit for purpose - at least it was warm! Pretty anonymous but safe enough

### The Lady:

Not a head turner on initially meeting, but she was restricting a lovely pair of puppies under her outfit. Russian, a little bit heavy round the middle.

### The Story:

Sourced Christina on a list of possibles - first call- Bingo - arranged for within the hour. DFK on her list of services, but not carried out - pretty much everything else was. Had the best (and longest) little session in a while - finished in doggy then settled down for a chat - too long for a second pop so never tried for CIM. Overall you would be hard pressed to find value for money from a no nonsense gal like this for 80 sobs. Left with a smile. that doesnt always happen. Thanks Christina
