The Premises:

A tidy bedsit on the top floor in a main road.

It's very easy to find, literally right next to the station. Discreet and safe.

The Lady:

Pretty face, with curled hair, sparkling eyes and a delightful smile.

The Story:

After a drink and a chat I received an interesting back massage involving her breasts and chin. This led to rimming (a new experience for me), followed by excellent oral.

There was no clock in the room; that hour was definitely more than 60 minutes :-)
