The Premises:

Usual place next door to a taxi firm. Nice premises and lovely maid who attended ever so politely. Wondered which Japanese lady today as they change weekly.

The Lady:

Lovely attractive woman of about 30, nice 34dd breasts and lovely firm figure. Typical features and lovely pale skin, soft too.

The Story:

This was a dream of a punt and got better as time went on. Body to body massage, kissing and licking my back, stoking my balls and shaft and then turn around. Kissing not always an option with some Japanese ladies, though i thought i would try those lucious lips and wow she can kiss, heaven. BJ without for a bit then with and with great effect. Did a great handjob with oil and i begged her to stop.

We tried different positions and she was a joy. Made up big tiome for earlier dissapointment with another short punt. Had i known, stayed with this woman for an hour. Wish these ladies shaved down below as i am not a carpet man. Off to Japan is few weeks, so hurry to catch her guys.
