The Premises:

Well known & near MK main shopping centre. Shown into the well appointed large room.

The Lady:

Very attractive looking size 8 blonde, tanned smooth skin, great 34d boobs and a pert bottom. Entered the room wearing matching black/dark red bra and thong and 5? heel shoes.

The Story:

Started with some very nice standing soft and sensuous kissing and caressing which set the scene for the rest of the session. Quickly onto the bed kneeling for more sensuous kissing and caressing during which Jayne removed her bra which allowed me to fondle and suck her boobs and before I knew it Jayne had me in her mouth for a very nice long session of OWO. Looking down at Jayne with her long blonde hair cascading around her shoulders, what a wonderful sight and her oral technique is as good as I have experienced. Then working her way up my body we engaged in more kissing, not full on DFK but really soft and sensuous open mouth kissing and very nice. Then with Jayne lying on her back I started to explore her soft pussy with my tongue as I gently massaged her boobs and nipples after which we changed positions and Jayne proceeded to take me in her mouth again. I could have stayed in this position for the rest of the session as it felt so good but after enjoying this for a good period of time Jayne moved sensuously up to kiss me and let me fondle her boobs before straddling across my chest with her moist pussy over my mouth for more tongue exploration. This was amazing, with Jayne moving herself onto my mouth and gyrating with the movement of my tongue and my hands which were busy fondling and squeezing her boobs. Jayne's movements become more intense as she ground herself into my mouth before coming to a crashing orgasm, Marvelous!!!

More kissing and more OWO before on with the condom and a long and superb session of cowgirl, This felt really great and Jayne looked fabulous, her long hair flowing over her boobs and over me when we kissed. Doggie next and another amazing sight then mish and then into a long a fantastic 69 session with Jayne on top eventually changing to her on her back and me kneeling alongside her giving her more oral and sliding a finger into her lovely pussy. Changed position with me again

kneeling and Jayne giving me oral during which I straddled her chest as she continued to suck me and wank me onto her tongue. No stopping now and she carried on with this until I explosively came, Jayne doesn't do CIM but a facial, neck and boobs? covering is just as rewarding. And it certainly was.

We cleaned up and had a nice chat. Jayne is a very pleasant and easy to get on with girl who wants to please.

A great sensuously sexy hot session with a gorgeous blonde girl who I will be looking to see again.
