The Story:

Avoid. Sheera has been in the game for way too long and has lost all enthusiasm for it. As soon as I stepped out of the shower, a laundry list of "no"s was presented: no rimming, no cim, no anal, no facial -- at which point, I demanded my money back (never done that before) and walked out. She has a cold, detached and very surgical approach to escorting that makes you lose any enthusiasm and passion for it. Stay well clear.
