The Premises:

Non- descript flat above some shops, entrance down an alley, been there before a number of times and it is my favourite in south-east london. Flat itself is very plush inside with a number of different rooms available.

The Lady:

Absolutely stunning - very cute face, stunning body, naturally large boobs

The Story:

Frankly, what we did was not my usual - no a-level, no deep throat. But... still a brilliant time - never finished so quickly, definately an artiste... Excellent oral skills, very warm and affectionate, responded with suitable moaning to having her skin licked and so on. Lovely girl
