The Premises:

It's a pretty bland, featureless flat above some shops near the bus stop. Anonymous and easy to get to

The Lady:

Early to mid 30s, half Brazillian. Very attractive, curvy nice boobs, lovely arse

The Story:

Opted for OWO as Crystal is great at this - goes as deep as she can, I've seen her quite a few times and every time is a little unpredictable - a few times she's got carried away and we wound screwing really suddenly, despite not paying for this service... she tastes nice too. This time she simply obliged me with a brilliant deep blowjob and allowed to come over her boobs... which went all over her face as well to no complaints.
