The Story:

have never had a bad experience with a HOD girl but this was by far the best PSE by far.

Tiffany greeted me with a warm embrace just to break the ice, once the finances were out of the way Tiffany asked what i liked. I just said as dirty as you like it to which her eyes lit up and she went to work.

As i was disrobing she bent over parted her pussy lips and slide in one of her toys, needless to say my cock rose in an instant. This was tiffany's que to give me a great BBBJ , she took it deep, licked my cock up and down, covered it in spit, rubbed it all over her face, stuck her tongue out and let me smack it with my cock.

On to the main event , started with deep missionary, then onto her side so she could play with my balls and wank my cock as i fucked her.

To finish , how else but with Tiffany kneeling in front of me mouth open demanding i spunk in her mouth, i couldn't say no so let fly a weeks worth into her mouth. Tiffany finished off my sticking out her tongue covered in spunk.

Brilliant girl who demanded i stay longer next time, i definatley will Tiffany.
