### The Premises:

it was not up to usual standards as was old condom wrapper on the floor and the last person had not cleaned up

### The Lady:

tall blond in her 20.s

### The Story:

this was an advent girl offer and well i am going to say if i had paid full price i would not be happy as it was lack lustre

anyway we did the usual things was not as much kissing as i liked had covered oral as she said she did not do owo, as i am sure the site stated however i know it is at ladies discretion.

anyway i had reverse oral on her and a covered blow job with sex in two positions,

i am afraid i am going to have to put that i would say no as i like a higher standard of girl to this one,
