The Premises:

Premises is 2nd floor flat in a block of about 6 flats. Unfortunately it is at the top of a steep hill, so can be challenging in winter weather. Reasonably safe parking, Entry is gained via a intercom controlled door, but unfortunately broken on the day I visited.

The Lady:

Gemma is a lovely lady 5'6" dark hair and gorgeous boobs. They are absolutely lovely.

The Story:

Met at the door by Gemma, gave me a wonderful greeting, wearing a basque and stockings. the flat is lovely and clean, I was offered a drink straight away as it was a cold day. She gave me a complete GFE welcome home. She showed me to the bedroom, again nice and clean, I requested to wear knickers which she provided, then we got down to a lovely massage, she sat on my face and got to some pussy licking, She reluctantly came, when she does it is gorgeous. She played with me, enticed me, and we continued to stimulate each other. This lady is a wonderful seductress. Thanks for a superb time.
